

KC 6308 NEWSLETTER SEPTEMBER 2020

Hello Brother Knights and Saint Joseph's Parish,

I would like to give everyone a summary of the blood drive that was held in July by our Council. There were 58 blood donors, 8 first time donors, and 60 life-saving units of red blood cells, which can save up to 180 lives.

After listening to the rules our Bishop has set for us to conform to with the coronavirus, we had many discussions about whether or not we could have our monthly breakfasts. After talking it over, we decided to go ahead with our breakfasts. We will change how we use the kitchen and our menu to hopefully make it flow smoothly. We changed our menu to a sausage, egg, and hash brown bake, fruit, and a caramel roll. We will use the drive-up method like they do for the church suppers. The price of the meal will be a free will offering. This month's proceeds will go to St. Joseph's Parish and CCD. We hope to see you all come through for breakfast and wishing and praying that everyone is staying healthy.

Vivat Mike Brusich
