

KNIGHTS OF COLUMBUS NEWSLETTER JULY 2018

Hello Brother Knights.

On June 10th we will have our annual picnic for members, their families and widows of past members. Again, we thank the widows for coming and spending time with us, for the charity that their husbands gave to Knights of Columbus, community and parish, and we also thank them for the support given to their husbands while they were involved with the Knights. We had a good turnout for a windy day in fact it was so windy we couldn't crown our 2018 horse shoe champion since the winning throw is under protest. It seems that the throw might have been wind aided which may not be allowed under horse shoe rules. To be fair to all we contacted the ROAGEHS company for a clarification on the rules. The ROAGEHS is a company that is familiar with rules for all game except horse shoes. Don't worry I haven't heard of them either.

As we start our new fiscal year I would like to dedicate this year to the youth. We want to get more youth involved in the Knights of Columbus and in the parish. We want the youth to be able to look back when they are older and remember the parish and Knights of Columbus in a positive way. We want more youth involved in our essay contest, poster contest, free throw contest and we really would like some college students to apply and make use of our scholarships. We will keep the parish posted on these events as we start these programs. Also, we are doing the pumpkin patch as a fundraiser for our youth group in the fall. Brother Knights I challenge you to bring in new ideas for the youth and we need more Knights to go online and fill out the background check so there are no questions when it comes to helping out the youth. Don't forget Knights as we try to widen our own faith to attend the mass on July 11th as we will also say the rosary. Vivat Jesus GK Mike

The poor are with you always

Charity is Love
