Dear Parents of CCD and Confirmation Students:

Welcome back to all of you who were registered with our St Joseph's CCD program last year and welcome to all of our new families. We are looking forward to spending time with you and sharing with you the wonderful and exciting teachings of our Catholic faith.

CCD classes for grades 1-8 will run from 5:30 to 6:30 on **Wednesdays**. **Class will begin on September 12th**. Enclosed with this letter, you will find the necessary registration forms for the upcoming school year. We ask your cooperation in completing and returning the enclosed forms as quickly as possible so that we can purchase the appropriate materials. Once completed, you may place the forms in the collection basket, mail them, or drop them off at the parish office on or before **August 13th**. **The registration fee needs to accompany the registration form or your child/children will not be considered registered**. If you need help with the registration fee or would like to set up payments please contact me. We do have some options that may help. There will be a \$10.00 service charge for late registration. No phone registration will be accepted. Also included in this packet are the St. Joseph Parish Policies for CCD and Confirmation Programs and our discipline policy. Please take the time to read these over.

If this is the first year your children are attending CCD and they have not been baptized at St. Joseph's parish, you will need to send a copy of their baptismal certificates along with their registration forms.

I do send most information via email. If you **DO NOT** want or do not have an email, please put a note on your registration to let me know as I will then send your newsletters or updates home with your child from CCD. **If you have changed your phone number or moved since registration last year, please highlight this on your registration form as I will have the church secretary correct it in her files also.**

If you have received this letter by mistake, if your child is or will be registered in another parish or Catholic School or if you have any questions, please call 701-483-2223 or email me at stjoescd@gmail.com.

If your child is involved with any sports or any other extra curriculum activities, please visit with their coaches/advisors about the importance of your child being done in time to attend CCD classes.

Thank you for sending your child/children to St Joseph's CCD. We are grateful for each and every one of them.
