Welcome to a new year of CCD. I hope that you all had a great summer and that you are excited to get started on a new year of religious education. We look forward to continuing the journey we have started with your family in the learning of their Catholic faith. Thank you for making your Catholic religion a priority for your children and allowing us to help support you, the parents, in their training.

Registration

Registration is required. The registration fee must accompany the registration form. Arrangements can be made for a schedule of payments, if needed. Call Ann at 483-2223. Registration packets are available in the back of the Church, at the Parish Office, and on-line at www.stjosephschurchedickinson.com

If you are aware of any 1st graders that will need to register, please have them call the office as soon as possible so that I can order the necessary supplies.

JOURNEY
OF
Faith

You do need to be registered as a member of St Joseph's church, in order to register for CCD. If you are registered at another parish, written permission from that parish's priest is required before enrolling in our religious education programs. If it is your first time registering your child and your child was not baptized at St Joseph's, we will also need a copy of that Baptismal certificate.

We will begin classes on September 13th at 5:30 in the upper portion of the church. We will have a short prayer service lead by Father Keith, introduce the teachers and have your child find their classrooms. Parents are invited and encouraged to attend.

I ask that you pray for your child's catechist as they prepare and share our faith with your children. With everyone working together we can form a community of spiritual support for one another, for the greater glory of God, and the ever-deepening of our faith. Together we can do GREAT things!

God Bless You!
