GERMAN AUCTION**

Many German Auction items will be available at German Night!

A sheet of 25 tickets sells for only \$5!!

PLEASE SUPPORT OUR AUCTIONS AND THE DONORS WHO MAKE THIS ALL POSSIBLE!

*** A German Auction is a combination of a raffle and an auction that is typically featured at charity, church festival and numerous other events. The difference is that in a German Auction, each prize has it's own "hat."

A bidder buys tickets. Which are chances to win items. The tickets themselves are often inexpensive, and bidders may buy hundreds of these tickets. Bidders buy as many tickets as they like and bid them on any item(s) they want by placing one or more tickets in the "hat" beside the item(s) they are trying to win. At the conclusion of bidding, one winning ticket is drawn from the "hat" beside each item and the item is given to the owner of that ticket.

A bidder may increase the chance of winning by buying and bidding more tickets on a specific item. Although there is generally no limit to the number of tickets a given individual may bid on a specific item, the chance of winning depends on the total number of tickets bid by all individuals.

This type of German auction is similar to the "silent auction," with the difference being that in the silent auction, bidders submit bids listing specific amounts that they are willing to pay for a specific item.
