

December 2021

I do not know exactly how to put into words what I feel in my heart. I am humbled and thankful for all of your prayers, your hard work, and your monetary donations toward our landscaping project.

Have you taken your picture yet?

St. Joseph and the child Jesus have arrived! Have you taken a look at them? Some of our parishioners have already taken the opportunity to take a few pictures.

As of today, because of your generosity, we have collected the entire cost needed for this project. No funds were taken from our yearly budget. When we started this project, I did not believe that would be possible. Thank you for all of the support you have given to St. Joseph's and this project. It is so very nice to see St. Joseph and the child Jesus standing there keeping watch over us!

With the help of East End Auto and Fisher Industries, the setting of the statue was made so much easier. The statue itself weighed about 500 pounds. If you see any of these fellows out and about, please extend a warm thank you to them for their help.

We do have more work to do in the spring. More flowers and other plantings along with mulch will be added. The driveway to the south of the yard will need to be re-done and black wrought iron railings will be added.

If you would like to donate to this project, you still have time. We are hoping that we can finish the project immediately in the spring with again, no cost to the parish. Please give us a call here at the office. We would love to visit with you.

Did you know that Pope Francis has declared the year of 2021, the year of St. Joseph? The year of St. Joseph began on December 8, 2020 and will continue until December 8, 2021. Oh, the fun we will have celebrating all year long!!

Again, thank you so much for making this project possible. Without the support of you, the parishioners, this would not have been possible. Next year when the weather warms up and the tulips begin to bloom, we would love to share a cup of coffee and some cookies with you, St. Joseph, and the child Jesus!

Wishing you a blessed and safe Christmas season!
